WHEREAS, pursuant to Ordinance Nos. 2013-11, 2013-12 and 2013-13, each passed on September 3, 2013, the Village issued its \$2,890,000 Various Purpose Improvement and Refunding Bonds, Series 2013, dated October 23, 2013, which bonds are currently outstanding in the aggregate principal amount of \$2,025,000 and will mature on December 1 in the years 2020, 2021, 2023, 2025, 2027, 2029, 2031 and 2033 (the Outstanding Bonds); and

WHEREAS, this Council finds and determines that it is necessary and in the best interest of the Village to refund for debt charges savings all or a portion of the Outstanding Bonds maturing on December 1 in the years 2021, 2023, 2025, 2027, 2029, 2031 and 2033 (the Refunded Bonds); and

WHEREAS, this Village finds and determines that it is necessary and in the best interest of the Village to issue the Bonds described in Section 1 to provide funds sufficient for that purpose, including the payment of expenses properly allocable to that refunding and to the issuance of the Bonds; and

WHEREAS, the Fiscal Officer, as fiscal officer of the Village, has certified to this Council that the estimated life or period of usefulness of the improvements described in Section 1 is at least five years and the estimated maximum maturity of the Bonds described in Section 1 is December 1, 2033;

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE VILLAGE OF ADA, COUNTY OF HARDIN, OHIO, THAT:

SECTION 1. Authorized Principal Amount and Purpose; Principal and Interest Payment; Denominations; Dating. It is necessary to issue bonds of the Village in an aggregate principal amount not to exceed \$2,100,000 for the purpose of refunding for debt charges savings certain of the Village's outstanding Various Purpose Improvement and Refunding Bonds, Series 2013, dated October 23, 2013, which were issued for the purpose of (i) refunding at a lower interest cost certain of the Village's then-outstanding Various Purpose Bonds, Series 2004, dated as of November 1, 2004, which were issued for the purpose of paying costs of (A) improving Main Street and (B) purchasing and installing generators for the Village water treatment facility, (ii) refunding at a lower interest cost certain of the Village's then-outstanding Real Estate Acquisition and Improvement Bonds, Series 2010, dated May 26, 2010, which were issued for the purpose of paying the property owners' portion, in anticipation of the collection of special assessments heretofore levied, and the Village's portion of the costs of acquiring real estate and interests in real estate and making improvements thereto, including construction of off-street parking facilities, for Village

administration and safety-service purposes, and (iii) paying the property owners' portion, in anticipation of the collection of special assessments heretofore levied, and the Village's portion of the costs of street reconstruction projects on Valerie Drive, Northernview Street, Southern View, Pleasant View, Jocelyn Drive, Christopher Circle, Clint Drive and Brandi Place, including the payment of expenses related to the refunding of the Refunded Bonds and the issuance of the Bonds (the Bonds). The principal amount of the Bonds to be issued shall be the amount certified by the Fiscal Officer in the certificate awarding the Bonds and setting certain terms thereof pursuant to Section 7 (the Certificate of Award). The Bonds shall be issued in one lot, and shall be issued only as fully registered bonds.

The Bonds shall bear interest (computed on the basis of a 360-day year consisting of 12 30-day months, unless otherwise determined in the Certificate of Award), payable on June 1 and December 1 (or such other semiannual dates or annual dates as determined by the Fiscal Officer in the Certificate of Award) of each year (the Interest Payment Dates), commencing on the initial Interest Payment Date determined in the Certificate of Award (which initial Interest Payment Date shall not be later than one year from the issuance date of the Bonds), until the principal amount has been paid or provided for. As referred to herein, Principal Payment Dates means December 1 (or such other semiannual dates or annual date as determined in the Certificate of Award) in each of the years in which principal on Bonds is payable, in some or all of the years 2020 through 2033 (or such other annual years as are determined in the Certificate of Award, provided that in no case shall the final Principal Payment Date be later than the maximum maturity of the Bonds referred to in the preambles hereto).

The Bonds shall be dated as of their issuance date or, as of such other date not more than 60 days prior to the issuance date as is determined in the Certificate of Award. Any provision herein notwithstanding, the entire principal amount of the Bonds may be represented by a single certificate with multiple payments of principal listed on a principal payment schedule attached thereto.

The Bonds shall be issued in a denomination or denominations specified in the Certificate of Award, as may be reflected in the aforementioned principal payment schedule, but in no case as to a particular maturity date exceeding the principal amount of Bonds maturing on that date. The Bonds shall mature on such Principal Payment Dates and in such amounts as shall be determined by the Fiscal Officer, subject to the provisions set forth below, in the Certificate of Award, consistent with the Fiscal Officer's determination of the best interest of and financial advantages to the Village. The Bonds shall bear the rate or rates of interest per year as shall be determined in the Certificate of Award. The Bonds shall bear interest from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for, from their date.

The rate or rates of interest per year to be borne by any Bonds, and the principal amount of Bonds maturing on each Principal Payment Date, shall be such as to demonstrate debt charges savings to the Village due to the refunding of the Refunded Bonds, taking into account all expenses related to that refunding and issuance of the Bonds.

The Fiscal Officer may adjust the Interest Payment Dates and Principal Payment Dates within the parameters set forth in this Section and based on the Fiscal Officer's judgment as to the best

interest of the Village. Any adjustments made pursuant to the authorizations set forth in this Section and this Ordinance shall be set forth in the Certificate of Award.

SECTION 2. Optional Redemption Provisions. The Bonds may be subject to redemption prior to stated maturity as follows:

(a) Optional Redemption. If determined by the Fiscal Officer in the Certificate of Award to be advantageous to and in the best interest of the Village, the Bonds specified in the Certificate of Award shall be subject to optional redemption, in whole or in part (if in part as selected by the Village), with or without penalty or premium, by and at the sole option of the Village at any time or a specific time prior to maturity, each as designated by the Fiscal Officer in the Certificate of Award and as provided in this Ordinance, plus, in each case, accrued interest to the redemption date, all as specified in the Certificate of Award, provided that the redemption price for the earliest optional redemption date shall not be greater than 103%.

Bonds to be redeemed pursuant to this paragraph (a) shall be redeemed only upon written notice from the Village to the Bond Registrar (as defined in Section 4), given upon the direction of this Council by passage of an ordinance. That notice shall specify the redemption date and the principal amount of each maturity of Bonds to be redeemed, and shall be given at least 45 days prior to the redemption date or such shorter period as shall be acceptable to the Bond Registrar. In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as hereinafter provided, there shall be deposited with the Bond Registrar, on or prior to the redemption date, funds which, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus interest accrued to the redemption date, all of the redeemable Bonds for which notice of redemption has been given.

(b) Partial Redemption. If fewer than all of the Bonds of a single maturity are to be redeemed, the selection of Bonds to be redeemed, or portions thereof, shall be made by lot by the Bond Registrar in any manner which the Bond Registrar may determine.

(c) Notice of Redemption. The notice of the call for redemption of Bonds shall identify (i) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (ii) the redemption price to be paid, (iii) the date fixed for redemption, and (iv) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the Village by mailing a copy of the redemption notice by first class mail, postage prepaid, at least 30 days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner's address then shown on the Bond Register (as defined in Section 6) maintained by the Bond Registrar. The failure of any registered owner of any Bond to be redeemed to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any other Bond.

(d) Payment of Redeemed Bonds. Notice having been mailed in the manner provided in paragraph (c) hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, plus interest accrued to the redemption

date. If moneys for the redemption of all of the Bonds and portions thereof to be redeemed, together with interest accrued thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All moneys held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds, provided that any interest earned on the moneys so held by the Bond Registrar shall be for the account of and paid to the Village to the extent not required for the payment of the Bonds called for redemption.

SECTION 3. Execution and Authentication of Bonds. The Bonds shall be signed by the Mayor and the Fiscal Officer, in the name of the Village and in their official capacities, provided that any or all of those signatures may be a facsimile. The Bonds shall be delivered in the denominations and numbers requested by the Original Purchaser (as defined in Section 7) and approved in the Certificate of Award, shall be numbered as determined in the Certificate of Award, and shall express upon their faces the purpose, which may be in summary terms, for which they are issued and that they are and shall be issued pursuant to Chapter 133 of the Revised Code, this Ordinance and the Certificate of Award. No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond proceedings (for purposes of this Ordinance, meaning this Ordinance, the Certificate of Award, the Bond Registrar Agreement (if any), and such other proceedings of the Village, including the executed Bonds, that provide collectively for, among other things, the rights of holders and beneficial owners of the Bonds) unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, this Ordinance. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar, or by the Fiscal Officer if the Fiscal Officer is to be the Bond Registrar pursuant to Section 4. The same person need not sign the certificate of authentication on all of the Bonds.

SECTION 4. Appointment of Bond Registrar. As used herein, "Bond Registrar" means the person or entity appointed pursuant to this Section 4 as the initial authenticating agent, bond registrar, transfer agent and paying agent for the Bonds and until a successor Bond Registrar shall have become such and, thereafter, "Bond Registrar" shall mean the successor Bond Registrar. In the Certificate of Award, the Fiscal Officer shall appoint the initial Bond Registrar, who may be the Fiscal Officer; provided that, if the Bond Registrar is to be a bank or trust company: (a) it shall be determined that said bank or trust company will not endanger the funds or securities of the Village; and (b) the Fiscal Officer shall sign and deliver, in the name and on behalf of the Village, a Bond Registrar Agreement between the Village and the Bond Registrar (the Bond Registrar Agreement); and (c) unless paid from other sources, the Fiscal Officer shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Bond Registrar Agreement from

the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

SECTION 5. Payment of Debt Charges. The debt charges on the Bonds shall be payable in lawful money of the United States of America or in Federal Reserve funds of the United States of America, as determined in the Certificate of Award, without deduction for the services of the Bond Registrar as paying agent. Principal of a Bond shall be paid on each Principal Payment Date and interest shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond was registered, and to that person's address appearing, on the Bond Register (as defined in Section 6) at the close of business on the 15th day preceding that Interest Payment Date; provided, however, that so long as the entire principal amount of the Bonds is represented by a single certificate, payment of principal and interest may be made by wire or check or draft mailed to the person in whose name the Bond was registered on the applicable date of payment, with presentation and surrender of said certificate to be made to the Bond Registrar after payment of principal and interest at final maturity.

SECTION 6. Registration; Transfer and Exchange. So long as any of the Bonds remain outstanding, the Village will cause the Bond Registrar to maintain and keep, at an office satisfactory to the Fiscal Officer and the Bond Registrar, all books and records necessary for the registration, exchange and transfer of Bonds as provided in this Section (the Bond Register). Subject to the provisions of Section 5, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of this Ordinance. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the Village nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the Village's liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of any authorized denomination upon presentation and surrender at the office of the Bond Registrar designated in the Certificate of Award or, if not so designated, then at the designated corporate trust office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so, in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at the designated office of the Bond Registrar, together with an assignment signed by the registered owner or by a person legally empowered to do so, in a form satisfactory to the Bond Registrar. Upon exchange or transfer, the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any authorized denomination or denominations requested by the registered owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the Village are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the Village. In all cases of Bonds exchanged or transferred, the Village shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of this Ordinance. The exchange or transfer shall be without charge to the registered owner, except that the Village and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental

charge required to be paid with respect to the exchange or transfer. The Village or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the Village, evidencing the same debt, and entitled to the same security and benefit under this Ordinance, as the Bonds surrendered upon that exchange or transfer. Neither the Village nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the 15th day preceding the mailing of notice of Bonds to be redeemed and the date of that mailing or (ii) any Bond selected for redemption, in whole or in part.

SECTION 7. Award and Sale of the Bonds. In accordance with this Ordinance, the Bonds shall be awarded and sold at private sale at a price of not less than 97% of par plus any accrued interest to the original purchaser as determined by the Fiscal Officer in the Certificate of Award (the Original Purchaser) in accordance with the Certificate of Award. The Fiscal Officer is authorized to and shall sign and deliver the Certificate of Award. The Fiscal Officer shall, in the Certificate of Award, determine the principal amount of the Bonds, designate the interest rate or rates the Bonds shall bear, establish the Original Purchaser and the purchase price of the Bonds, set the Interest Payment Dates and Principal Payment Dates and amounts, set any optional redemption provisions, and make all of the other designations herein authorized and directed to be made, all within the parameters set forth herein, and shall execute the Certificate of Award and shall cause the Bonds to be prepared, signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Original Purchaser upon payment of the purchase price. The Mayor, Administrator, Fiscal Officer, Solicitor and other Village officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements, purchase agreement, term sheet and other commitments, documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance.

The Fiscal Officer is authorized, if it is determined to be in the best interest of the Village, to combine the issue of Bonds with one or more other bond issues of the Village into a consolidated bond issue pursuant to Section 133.30(B) of the Revised Code in which case a single Certificate of Award may be utilized for the consolidated bond issue if appropriate and consistent with the terms of this Ordinance.

The expenditure of the amounts necessary to pay the financing costs (as defined in Section 133.01 of the Revised Code) in connection with the Bonds is authorized and approved, and the Fiscal Officer is authorized to provide for the payment of any such amounts and costs from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

SECTION 8. Refunding; Call of Refunded Bonds. This Council determines that it is necessary and in the best interest of the Village to refund the Refunded Bonds. The Fiscal Officer is authorized and directed to give to The Huntington National Bank, as the authenticating agent, bond registrar, transfer agent and paying agent for the Refunded Bonds, or any successor thereto, on or promptly after the Closing Date, written notice of the call for redemption, and the Refunded Bonds shall be redeemed in accordance with the Original Bond Legislation and the Escrow Agreement (as defined in Section 9). The Village covenants for the benefit of the holders of the Refunded Bonds and of the Bonds, that it will at no time on or after the Closing Date take actions

to modify or rescind that call for prior redemption, and that it will take, and will cause the bond registrar and paying agent for the Refunded Bonds to take, all steps required by the terms of the Refunded Bonds to make and perfect that call for prior redemption.

SECTION 9. Escrow Trustee. The Huntington National Bank is appointed to act as the initial Escrow Trustee with respect to the refunding of the Refunded Bonds; provided, however, that the Fiscal Officer is authorized to appoint a different Escrow Trustee in the Certificate of Award after determining that such bank or trust company will not endanger the funds or securities to be held in trust for redemption of the Refunded Bonds and that proper safeguards are available for that purpose. The Escrow Trustee is authorized and directed to cause notice of the refunding of the Refunded Bonds to be given in accordance with the Escrow Agreement. The Mayor and the Fiscal Officer shall sign and deliver, in the name and on behalf of the Village, the Escrow Agreement between the Village and the Escrow Trustee, in substantially the form as is now on file with the Fiscal Officer. The Escrow Agreement is approved, together with any changes or amendments that are not inconsistent with this Ordinance and not substantially adverse to the Village and that are approved by the Fiscal Officer on behalf of the Village, all of which shall be conclusively evidenced by the signing of the Escrow Agreement or amendments thereto. The Fiscal Officer shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Escrow Agreement (including the fees and expenses of a mathematical verification agent to be appointed in the Certificate of Award) from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

SECTION 10. Escrow Fund. There is created under the Escrow Agreement a trust fund designated the "Village of Ada Series 2013 Bonds Escrow Fund" which shall be held and maintained by the Escrow Trustee in trust for the registered owners of the Refunded Bonds and is pledged for the payment of principal of and interest on the Refunded Bonds, all in accordance with the provisions of the Escrow Agreement. The Fiscal Officer is hereby authorized and directed to pay or cause to be paid to the Escrow Trustee for deposit in the Escrow Fund (i) any available funds on deposit in the Bond Retirement Fund for the payment of debt charges on the Refunded Bonds determined by the Fiscal Officer to be applied for that purpose and (ii) proceeds from the sale of the Bonds, except any accrued interest and any proceeds to be used for the payment of any expenses properly allocable to the refunding of the Refunded Bonds or the issuance of the Bonds as determined by the Fiscal Officer, in the amount required, together with the funds referred to in clause (i), if any, to provide for the defeasance of the Refunded Bonds. Those funds are appropriated and shall be applied to pay principal of and interest and redemption premium, if any, on the Refunded Bonds, as provided in the Escrow Agreement.

The funds so deposited in the Escrow Fund shall be (a) held in cash to the extent that they are not needed to make the investments hereinafter described and (b) invested in direct obligations of, or obligations guaranteed as to payment by, the United States of America (within the meaning of Section 133.34(D) of the Revised Code) that mature or are subject to redemption by and at the option of the holder, in amounts sufficient, together with any uninvested cash in the Escrow Fund but without further investment or reinvestment, for the payment of principal of and interest and redemption premium on the Refunded Bonds as provided in the Escrow Agreement.

If U.S. Treasury Securities – State and Local Government Series are to be purchased for the Escrow Fund, the Original Purchaser and the Escrow Trustee are hereby specifically authorized to file, on behalf of the Village, subscriptions for the purchase and issuance of those U.S. Treasury Securities – State and Local Government Series. If, in the judgment of the Fiscal Officer, an open-market purchase of obligations described in (b) in the preceding paragraph for the Escrow Fund is in the best interest of and financially advantageous to the Village, the Fiscal Officer, or any other officer of the Village, on behalf of the Village and in their official capacity, may purchase and deliver such obligations, engage the services of a municipal advisor, bidding agent or similar entity for the purpose of facilitating the bidding, purchase and delivery of such obligations for, and any related structuring of, the Escrow Fund, execute such instruments as are deemed necessary to engage such services for such purpose, and provide further for the payment of the cost of obtaining such services from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or shall be appropriated for that purpose.

SECTION 11. Application of Proceeds. Proceeds from the sale of the Bonds (except any accrued interest and original issue premium in excess of the amount necessary to accomplish the refunding of the Refunded Bonds and the payment of costs relating to the issuance of the Bonds and the refunding of the Refunded Bonds, which shall be paid into the Bond Retirement Fund) shall be paid into the Escrow Fund as and to the extent provided in Section 10, and are appropriated and shall be used for that purpose. Accrued interest and such excess premium received by the Village are appropriated and shall be used for the purpose of paying debt charges on the Bonds. Any proceeds received by the Village to be used for the payment of any expense relating to the refunding of the Refunded Bonds and the issuance of the Bonds shall be paid into the proper fund or funds, and are appropriated and shall be used for that purpose.

SECTION 12. Provisions for Tax Levy. There shall be levied on all the taxable property in the Village, in addition to all other taxes, a direct tax annually during the period the Bonds are outstanding in an amount sufficient to pay the debt charges on the Bonds when due, which tax shall not be less than the interest and sinking fund tax required by Section 11 of Article XII of the Ohio Constitution. The tax shall be within the ten-mill limitation imposed by law, shall be and is ordered computed, certified, levied and extended upon the tax duplicate and collected by the same officers, in the same manner and at the same time that taxes for general purposes for each of those years are certified, levied, extended and collected, and shall be placed before and in preference to all other items and for the full amount thereof. The proceeds of the tax levy shall be placed in the Bond Retirement Fund, which is irrevocably pledged for the payment of the debt charges on the Bonds when and as the same fall due. All special assessments collected for the improvement described in Section 1 and any unexpended balance remaining in the improvement fund after the cost and expenses of the improvement have been paid shall be used for the payment of the debt charges on the Bonds until paid in full. In each year to the extent money from the levy of the special assessments for the improvement or otherwise is available for the payment of the debt charges on the Bonds and is appropriated for that purpose, the tax shall be reduced by the amount of money so available and appropriated.

SECTION 13. Federal Tax Considerations. The Village covenants that it will use, and will restrict the use and investment of, the proceeds of the Bonds in such manner and to such extent as may be necessary so that (a) the Bonds will not (i) constitute private activity bonds or arbitrage

bonds under Section 141 or 148 of the Internal Revenue Code of 1986, as amended (the Code), or (ii) be treated other than as bonds the interest on which is excluded from gross income under Section 103 of the Code and (b) the interest on the Bonds will not be an item of tax preference under Section 57 of the Code.

The Village further covenants that (a) it will take or cause to be taken such actions that may be required of it for the interest on the Bonds to be and to remain excluded from gross income for federal income tax purposes, (b) it will not take or authorize to be taken any actions that would adversely affect that exclusion and (c) it, or persons acting for it, will, among other acts of compliance, (i) apply the proceeds of the Bonds to the governmental purposes of the borrowing, (ii) restrict the yield on investment property, (iii) make timely and adequate payments to the federal government, (iv) maintain books and records and make calculations and reports, and (v) refrain from certain uses of those proceeds and, as applicable, of property financed with such proceeds, all in such manner and to the extent necessary to assure such exclusion of that interest under the Code.

The Fiscal Officer, as fiscal officer of the Village, or any other officer of the Village having responsibility for the issuance of the Bonds is hereby authorized (a) to make or effect any election, selection, designation (including designation or treatment of the Bonds as “qualified tax-exempt obligations” if such designation is applicable and desirable, and to make any related necessary representations and covenants), choice, consent, approval or waiver on behalf of the Village with respect to the Bonds as the Village is permitted or required to make or give under the federal income tax laws, including, without limitation thereto, any of the elections provided for in or available under Section 148 of the Code, for the purpose of assuring, enhancing or protecting the favorable tax treatment or status of the Bonds or interest thereon or assisting compliance with requirements for that purpose, reducing the burden or expense of such compliance, reducing the rebate amount or payments or penalties, or making payments of special amounts in lieu of making computations to determine, or paying, excess earnings as rebate, or obviating those amounts or payments, as determined by that officer, which action shall be in writing and signed by the officer, (b) to take any and all other actions, make or obtain calculations, make payments, and make or give reports, covenants and certifications of and on behalf of the Village, as may be appropriate to assure the exclusion of interest from gross income and the intended tax status of the Bonds, and (c) to give one or more appropriate certificates of the Village, for inclusion in the transcript of proceedings for the Bonds, setting forth the reasonable expectations of the Village regarding the amount and use of all the proceeds of the Bonds, the facts, circumstances and estimates on which they are based, and other facts and circumstances relevant to the tax treatment of the interest on and the tax status of the Bonds.

Each covenant made in this Section with respect to the Bonds is also made with respect to all issues any portion of the debt charges on which is paid from proceeds of the Bonds (and, if different, the original issue and any refunding issues in a series of refundings), to the extent such compliance is necessary to assure exclusion of interest on the Bonds from gross income for federal income tax purposes, and the officers identified above are authorized to take actions with respect to those issues as they are authorized in this Section to take with respect to the Bonds.

SECTION 14. Certification and Delivery of Ordinance and Certificate of Award. The Fiscal Officer is directed to deliver or cause to be delivered a certified copy of this Ordinance and a signed copy of the Certificate of Award to the Hardin County Auditor.

SECTION 15. Satisfaction of Conditions for Bond Issuance. This Council determines that all acts and conditions necessary to be performed by the Village or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the Village have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; that the full faith and credit and general property taxing power (as described in Section 12) of the Village are pledged for the timely payment of the debt charges on the Bonds; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

SECTION 16. Retention of Bond Counsel. The legal services of Squire Patton Boggs (US) LLP, as bond counsel, be and are hereby retained. The legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the issuance and sale of the Bonds and the rendering of the necessary legal opinion upon the delivery of the Bonds. In rendering those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of the Village in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the Village or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those legal services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those legal services. The Fiscal Officer shall provide for the payment of those fees and any reimbursement from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

SECTION 17. Retention of Placement Agent. The services of Stifel, Nicolaus & Company, Incorporated, as placement agent, are hereby retained. Those services shall be in the nature of soliciting proposals from potential purchasers of the Bonds and negotiating the terms of the purchase of the Bonds by the Original Purchaser. In rendering those services, as an independent contractor, that firm shall not exercise any administrative discretion on behalf of the Village in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, the Village or any other political subdivision, or the execution of public trusts. That firm shall be paid just and reasonable compensation for those services and shall be reimbursed for the actual out-of-pocket expenses it incurs in rendering those services. The Fiscal Officer shall provide for the payment of those fees and any reimbursement from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

The Mayor and the Fiscal Officer shall sign and deliver, in the name and on behalf of the Village, the Placement Agent Engagement Agreement between the Village and the Placement Agent, in substantially the form as is now on file with the Fiscal Officer. The Placement Agent Agreement is approved, together with any changes or amendments that are not inconsistent with this Ordinance and not substantially adverse to the Village and that are approved by the Fiscal

Officer on behalf of the Village, all of which shall be conclusively evidenced by the signing of the Placement Agent Agreement or amendments thereto.

SECTION 18. Compliance with Open Meeting Requirements. This Council finds and determines that all formal actions of this Council and of any of its committees concerning and relating to the passage of this Ordinance were taken in open meetings of this Council or committees, and that all deliberations of this Council and of any of its committees that resulted in those formal actions were in meetings open to the public, all in compliance with the law.

SECTION 19. Declaration of Emergency: Effective Date. This Ordinance is declared to be an emergency measure necessary for the immediate preservation of the public peace, health and safety of the Village, and for the further reason that this Ordinance is required to be immediately effective in order to issue and sell the Bonds, which is necessary to enable the Village to refund for debt charges savings the Refunded Bonds upon terms in the best interest of and advantageous to the Village and thereby to achieve interest rate savings available under current favorable market conditions; wherefore, this Ordinance shall be in full force and effect immediately upon its passage.
